Professional Summary

Experienced and certified Project Manager (PMP) with over 15 years of progressive leadership in telecommunications and engineering, specializing in complex infrastructure upgrades and technology roadmap execution. Proven track record of delivering multi-million-dollar projects on time and within budget, known for analytical problem-solving and a hands-on approach that drives operational excellence.

Experience

- Sr. Project Manager**, Rogers Communications Jan 2023 – Jan 2024
- Led construction and implementation teams to exceed node upgrade targets.
 - Directed successful rollout of High-Split technology, boosting upstream internet speeds.
 - Streamlined upgrade processes to reduce customer disruptions.
 - Issued RFI/RFP packages to third-party contractors for upgrade execution.
 - Automated budgeting and forecasting using Alteryx, reducing cycle time by 90%.
- Sr. Project Manager**, Shaw Communications Jan 2016 – Jan 2023
- Managed multimillion-dollar, multi-year node upgrade projects.
 - Provided expert guidance on Mid-Split and High-Split technologies.
 - Led development of best-practice execution playbooks for operations teams.
- Portfolio Manager**, Shaw Communications Jan 2014 – Jan 2015
- Co-developed 2-, 5-, and 10-year technology roadmaps with annual budgets exceeding \$200M.
 - Prioritized initiatives to avoid stranding \$10M in capital.
- Project Manager**, Shaw Communications Jan 2013 – Jan 2014
- Oversaw multiple OSP construction projects across Canada.
 - Approved capital funding and tracked expenditures across regional budgets.
- Fibre Planner**, Shaw Communications Jan 2010 – Jan 2013
- Designed fibre network layouts and generated construction-ready plant maps.
- AME-S Apprentice**, Kelowna Flightcraft Jan 2010 – Jan 2010
- Performed structural aircraft maintenance and part fabrication based on technical drawings.
- Project Manager**, Timberstone Contracting Ltd. Jan 2007 – Jan 2009
- Managed residential construction projects from foundation to finish.
 - Executed structural, carpentry, and landscaping tasks.
- Mechanical Designer**, Pacific Insight Electronics Corp. Jan 1994 – Jan 2007
- Collaborated with vendors to prototype electronic components for OE automotive use.
 - Designed 3D models and packaging using AutoCAD and SolidWorks.
 - Supported manufacturing lines via soldering, wiring, and UV coating.

Education

- CERT British Columbia Institute of Technology (BCIT)**, Aircraft Maintenance Engineer - Structures – Kelowna, BC Jan 2009 – Jan 2009
- Graduated top of class.
- CERT Mount Royal University**, Project Management Professional (PMP) – Calgary, AB Jan 2023 – June 2023
- Scored above target in all sections (Process, People and Business Environment).

Courses

- Project Management Institute**, Project Management Professional (PMP) – Calgary, AB June 2023 – June 2023
- Scored Above Target in Process, People, and Business Environment sections.
- Mount Royal University**, PMP Exam Prep Course – Calgary, AB Jan 2023 – Jan 2023
- Tableau Software**, Tableau Desktop I: Fundamentals – Online Dec 2019 – Dec 2019
- Gained foundational data visualization skills using Tableau.
- Tableau Software**, Tableau Desktop II: Intermediate – Online Dec 2019 – Dec 2019
- Learned more complex methods for creating charts and graphs and dashboards.
- Tableau Software**, Tableau Desktop III: Advanced – Calgary, AB Dec 2019 – Dec 2019
